HP launches Compaq Presario CQ 2000 series

HP announced the launch of its latest table-top **desktop PC in India**, dubbed Compaq Presario CQ 2000 series. This is a small-wonder and eco-friendly machine which includes the Compaq My Bhasha software. The software is a communication enabler providing vernacular interface and allowing users to access the PC in Hindi, Tamil, Kannada, Gujarati, Marathi, Telugu, Bengali, Malayalam, Punjabi and Urdu.

Chandrabhas Panigrahi said CQ 2000 is a completely new category of **PCs** that will redefine the way desktops are viewed in terms of form factor and design. The main focus of launching CQ 2000 is to offer an affordable PC to families, young professionals and internet savvy people who want much more out of their PCs he added.

The smooth and elegant CQ 2000 features a 15-inch TFT screen, 6-in-1 digital media reader and USB drives for users to make the space-saving PC a full entertainment companion. Users can also listen to music,

watch movies and play games.

The CQ 2000 series of desktop is said to be energy star certified for being energy efficient. The all new HP CQ 2000 Series Desktop is priced at Rs. 18,990.
