HP Unveils the Compaq Presario CQ 2000 Desktop

HP recently revealed the Compaq Presario CQ 2000 series in the desktop market of India.

Stylishly designed, the CQ 2000 comes in with a 15-inch TFT screen, 6-in-1 digital media reader and USB drives. The CQ 2000 is also energy star certified for being energy efficient. Made from fewer manufacturing materials for less wastage you stand to gain by doing your part to save the Earth, said HP.

The CQ 2000 also integrates Compaq My Bhasha software, a communication enabler providing vernacular interface.

"The Compaq My Bhasha software offered with the PC, for a 90 day free trial, will not only help break the language barrier for non-English speaking users but also make computing a truly personal experience as the users get to email, chat, socialize online and do a lot more in the language they are most comfortable using," said Chandradas Panigrahi, Country Category Manager, Consumer Desktops, PSG, HP India.

The CQ 2000 Desktop PC is immediately available all across India through HP retail and distribution network at a starting price of Rs 18,990 plus taxes.
